Dear Bruce,

I am writing to inform you that the Scottish Fiscal Commission has now published its report [Scotland's Economic and Fiscal Forecasts December 2017](#).

Alongside the report, we have produced a [summary report](#) that sets out our forecasts and the main assumptions and judgements that underpin them. Additionally there is an [infographic](#) that shows all of our main forecasts as a one page summary.

We will be able to discuss the report in more detail when at next Wednesday's Committee meeting.

Best wishes,

A handwritten signature in blue ink that reads "Susan".
